

MORNINGSIDE FOOTBALL CLUB

CLUB POLICY

PLAYER INJURY

Registered players are covered for injury under the provisions of the policies associated with their league registration.

Coverage is limited and varies. Details of the coverage can be accessed via the appropriate links on the club webpage.

The club will assist injured players make appropriate insurance claims in the event of injury.

In order to ensure appropriate coverage, unregistered players may not participate in club arranged training activities or games of any type.

The club provides no insurance coverage for player injuries and cannot provide financial support of any kind, in the event of injury.

The club strongly encourages all players to hold private medical and hospital insurance cover, in order to ensure that they are best able to receive treatment within a timeframe that suits their needs.

In the case of players that work, the club also encourages them to hold insurances that provide for potential loss of income, in the event of injury.
