

Morningside Junior Australian Football Club

Playing in Age Group Policy

The Morningside Juniors has a duty of care to all players and a commitment to the management of players in a fair and equitable way. This is reflected in the registration of our players within their appropriate age group, with our policy being:

- All players are to sign-on within the age group appropriate to their age (in the case of the Under 8's the players shall have turned five, as a minimum, before the annual Sign On Day).
- Players may only subsequently register for an older age group (maximum of one age group greater than that appropriate to their age) with the written permission of the Football Sub-committee.
- On match days, players may play up one age group without the permission of the Football Sub-committee, only if there are insufficient numbers in the older age group on a particular day. In such circumstances the Auskick / Youth Coaching & Football Co-ordinator needs to be advised as soon as is practicable after the match.
